Chiefly Speaking

My Brothers,
As we begin 2019 with high hopes and expectations for another New Year, let us reflect on the great things that Ktemaque accomplished over the past year. We started an annual private movie screening, and although most of us have forgotten The Last Jedi, we remembered how cool it was to have an entire theater to ourselves. We skied together at Catamount and enjoyed a day on the slopes. We combined a new Webelos Woods program with our Fellowship Weekend, and it was a huge success. Unlike real life, our brothers were excellent victims when they volunteered to participate in the biennial disaster drill at Westchester Airport to help first responders polish their skills. After an outstanding Spring Ordeal weekend and Brotherhood Quest, we hosted the Section Conclave and showed our fellow lodges how to run an excellent program and dine like kings. A dozen of us went to Indiana this summer for a very special NOAC, and will never be able to listen to Life is A Highway ever again. Ever. This fall, our brothers ran the Webelos program at Thunderbird Games, and then created a couple of mobile Gaga Ball Pits that were used non-stop until closing time by hundreds of happy Cub Scouts who now know that the OA is all about fun. We are starting 2019 with a new (better) movie screening, and a very special annual banquet, and I hope all of you will join me there. We are doubling the size and scope of the Webelos Woods program in March, and will be conducting Unit Elections at every troop, ship and crew this winter. This year, girls will be eligible to join our lodge, and we look forward to them joining our ranks. Thank you for everything you do for our Scouts, and Happy New Year.
Yours in Brotherhood,
Lodge Chief
Jack Kiernan

He served two terms as Section chief and one term as Section Vice-Chief.

The New North East Region Chief is Ethan Mooney. Ethan is an Eagle Scout and Vigil Honor Member from Kuskitannee Lodge 168 - Western Pennsylvania. He has served as Section Chief, Section Vice-Chief, Lodge Chief and Lodge Vice-Chief.

National Leadership Seminar

I attended the NLS training event at Camp Alpine this past November and I thought it was excellent. It gave me showed me new opportunities for ways to lead as a youth member in my lodge and in my troop. The training was group centered and was put together in clans with a group leader who helped the clan make the right decisions line we were in our separate lodges and to make our lodge strive. I highly recommended that youth members who want to hold a position to go to this training event, it is very effective and worth the weekend trip.
